March 7	Kelly Roach, Tracey Fees
March 14	Jami Kitchel, Rhonda Hague
March 21	Shannon Shepherd, Bethany Glosser
March 28	Lisa Chirico, Peggy Miller

### **General Guidelines:**

1. The kids are divided into 2 groups and each of you is assigned to a specific group. If you have more kids than you can handle, please ask me and we will round up someone to help.
2. You may give the older kids a snack. There are goldfish and animal crackers in the closet at the church. They may also have water to go with their snack.
3. Please do not give any food to the babies as many of them have allergies and have not been given certain foods yet. If their parent has sent a snack in their diaper bag, you may give them that. As always, please remember to wash your hands before being with the babies and use the hand sanitizer after changing diapers and wiping noses to prevent the spread of germs.

**\*\* If you cannot make your shift, PLEASE trade with someone for a different week.**

Thank you SO much for being a servant in this ministry. God bless you for your willingness to be used!!

If you have any further questions, please call me at 306-9057.

Thank you,  
Kelly
